

Queen Eleanor Improvement Scheme – December 2025

What's Happening?

Where: A45 Queen Eleanor Interchange, Northampton

What: Traffic management systems

When: December 2025 until end of February 2026

Why: Construction of the west subway concrete cantilever parapet extension has been delayed due to a redesign. Subsequent work on Mere Way and London Road will include kerbing, verge finishing, surfacing, road markings, traffic signals, and vehicle restraint systems.

Traffic Management:

For safety reasons, traffic management will need to be maintained throughout December including concrete protection barriers on Mere Way and London Road junctions.

Residents/Businesses:

Residents and businesses will have access to their properties at all times.

Emergency Vehicles:

Access will be maintained for emergency vehicles but please expect delays.

Pedestrians and Cyclists:

No pedestrian routes will be affected.

Public Transport:

Bus stops on A45 slip road and nearest the roundabout on London Rd and Newport Pagnell Rd will be suspended for the duration of this work. Bus companies have been notified. Please use alternative bus stops during this time.
